PROPHETIC WORD

"This is a season of not only shaking, but also cleansing at every level"

By Emerson Ferrell

We greet you in the precious name of our Lord Jesus this month. We are very excited to share the prophetic news with you, our friends and partners this month.

Before the beginning of 2010 the Spirit reminded me of the shaking of the spiritual realm in 2009 and said, "For the next 3 years the physical will manifest what has happened in the spiritual."

We all were saddened by the earthquake in Haiti, which was followed by the tragic one in Chile. The earth is groaning louder now than in previous generations for the "Sons" of God to manifest.

I believe we have entered a season of not only shaking but also cleansing at every level. We will witness violent storms both water and wind this year. Not because God is angry but because the "church" is focused on the wrong priorities.

My soul yearns for You [O Lord] in the night, yes, my spirit within me seeks You earnestly; for [only] when Your judgments are in the earth will the inhabitants of the world learn righteousness (uprightness and right standing with God). Isaiah 26:9 AMP

For example, it is very difficult to find Christian programming on T.V. that does not focus on "end times" prophecies or prosperity messages. Jesus

said, "I am the beginning and the end," so if we are thinking about a time period outside of Christ we have not understood His Words.

One problem is man and religions have attempted to interpret the words of Jesus as ordinary instead of spiritual. The realm of the spirit is the reality of God and to the degree our lives are "in Christ" represents the measure of our prosperity and future events.

This world is our temporary home and those whose hope is based in religious interpretations instead of depending on the Holy Spirit will live in fear.

We must live life displaying the real treasure the world is after. The riches of His Glory is the wealth, which transcends time and is more marvelous than any temporal treasure we could hope to obtain.

The message of Christ is not philosophical, religious or temporal. The message of His kingdom is the all-encompassing power that surpasses the physical world and rips the veil from the eyes of those blinded from wrong thinking. The devil is unable to keep you a prisoner once you see the power released by Christ in His resurrection. The only death we as Christians will experience is the separation

from our physical body. That death occurred for those who nailed themselves on the cross with Christ.

We were buried therefore with him through baptism to death, that just like Christ was raised from the dead through the glory of the Father, so we also might walk in newness of life.

For if we have become united with him in the likeness of his death, we will also be part of his resurrection;

Knowing this, that our old man was crucified with him, that the body of sin might be done away with, so that we would no longer be in bondage to sin. Romans 6:4-6 WEB

The "Born Again" experience is the resurrection into Christ and His kingdom on that "day."

In that day you will know that I am in My Father, and you in Me, and I in you.

John 14:20 NASV

The experience most people call "born again" is void of the power designed for those who leave this world and enter Christ. Why? Because people have no concept of the

spiritual nature of their design. The power of Christ is hidden from the eyes of those whose minds are fixed on the physical world as reality. The Holy Spirit is the One who has the power to open our eyes and train us for eternity.

The second death spoken about in the book of Revelation is the eternal separation from God.

*He who has an ear, let him hear what the Spirit says to the assemblies. He who overcomes won't be harmed by **the second death.***

Revelation 2:11 WEB

Blessed and holy is he who has part in the first resurrection. Over these, the second death has no power, but they will be priests of God and of Christ, and will reign with him one thousand years.

Revelation 20:6 WEB

Death and Hades were thrown into the lake of fire. This is the second death, the lake of fire.

Revelation 20:14 WEB

*But for the cowardly, unbelieving, sinners, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars, their part is in the lake that burns with fire and sulfur, which is **the second death.***

Revelation 21:8 WEB

Those who study Revelation and allow themselves to be influenced only by the Holy Spirit will be introduced to another dimension of Christ. Remember this book is the "revelation of Christ" to John.

In my opinion, the second death is not something, which happens after our physical death. The only death those "born again" experience is the physical separation from our temporal bodies.

The second death was created the "day" Jesus went to hell and destroyed death and Hades. His resurrection is the same "day" mentioned in John 14:20 that is available to us "now." Our death and resurrection is the only death we experience because the physical world has no power over the spiritual.

The fear of death is reserved to those who will experience the second death, mentioned in Revelation 21:8. We are the ones spoken of in Revelation 20:6 who are reigning with Him now for a thousand years.

*Nevertheless, do not let this one fact escape you, beloved, that with the Lord **one day is as a thousand years and a thousand years as one day.***

2 Peter 3:8 AMP

Time ceases to exist on the "day" you and I enter Christ. The power of resurrection swallows time. Of course our flesh and blood bodies will stop functioning at some point but once the Holy Spirit begins to

show you the eternal dimension your attachment to anything of this world will loose any appeal.

If you study the generations of Adam in Genesis you will not find anyone who lived 1000 years. It is reserved for those who are ONE IN CHRIST. The first Adam disobeyed God the second Adam; Jesus is the eternal son whose offspring will live 1000 years in the 7th day. The seventh day is reserved for those who live in the "rest" of God, which is Jesus.

Do not be misled by "end time" teachings, which promote fear or helplessness on the part of the believer. We have a better promise than the first covenant. So anything used from that covenant to predict our future is not the complete picture and should not be a factor for those IN CHRIST.

Determine today to find your place and purpose in His kingdom. Make it your priority to be the overcomer Jesus spoke about in Revelation. If you are our partner and reading this letter God has marked you for greatness.

If you have not read my book "Immersed In Him" get it today and study this powerful revelation of reformation.

If you are a partner with our ministry we want to thank you for your faithfulness. We know God has blessed you for your giving but we want to bless you as well.

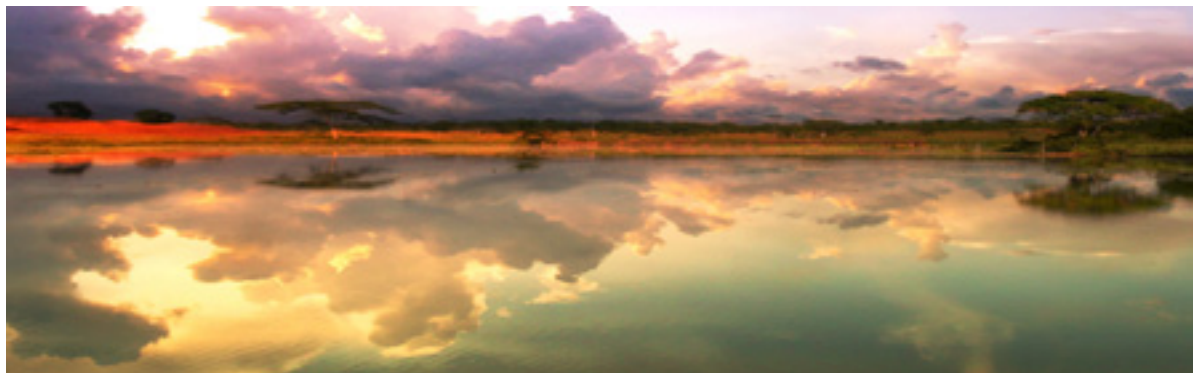

This month we are offering a special gift to those who will give 100 or more. We want to give you our latest messages from Peru. The Lord spoke powerfully the day of the 8.8 magnitude earthquake in Chile.

These messages are not even available to our Internet shoppers yet. If you enclose your love gift of \$100 or more this month we will ship it to you and pay the shipping.

We love you and hope to see you at one of our ministry conferences this year.

"Believe in the Lord Jesus, and you will be saved—you and your household."

By Nicolas Lavin

At 3.30 AM my phone rang, suddenly waking me up. I answered to a far away voice telling me there was an earthquake in Chile. At that moment, I got up and turned on the TV. They were broadcasting what was happening there. It was 5:30 AM their time and the news anchor mentioned that the epicenter was in Concepcion. My wife and I looked at each other and I said "Concepcion? Oh my God!, that is my city, my family is there".

Immediately we heard the voice of God saying "your family is ok,", and a Scripture came to me, *"Believe in the Lord Jesus, and you will be saved—you and your household."*

Acts 16:31

We were not able to contact our families for 4 days following that night. We kept hearing the terrible details about the earthquake and the tsunami.

The results of the tragic event left 2 million affected by the quake and the tsunami. More than 400 thousand people lost their homes, with over 500 confirmed deaths. The devastation in all the coastal cities around the Bío-Bío and Maule Region was extreme and the money needed to rebuild the zones devastated will be more than 30 billion dollars. Many people lost their families, houses, businesses, with many of them losing everything.

The majority of our families live in that city. Our cousins, nephews, mother, father, etc, but despite the destruction, none, I mean no one in our family was affected by any kind of major problem. What can I tell you? How awesome is Jesus Christ, that in His mercy and compassion, He kept our families alive in a place where everything was destroyed.

How great is He? How much does He love us that He kept our beloved ones alive over 4700 mile, (7700 kilometers) away? All we had for those days of silence was hope in whom we believe, Jesus.

After 4 days of praying and waiting, we finally talked with our families, and they were in perfect condition. My mom said to me, "inside my apartment nothing happened, everybody is fine and is incredible and nothing absolutely nothing was broken." God is a God who cares about his beloved ones. He takes care of any need, but we must rest in Him. We need to make room for Him in our lives so that He may work on all we need.

I would like to encourage each of you to hug and kiss your beloved ones more than ever, because we never know what will happen tomorrow. As a matter of fact, there is no reason to be angry and distant from those we love the most. Remember, our first ministry is our families. We serve God when we pray and honor our families as it says in the Bible: *"Honor your father and mother"—which is the first commandment with a promise—*

Ephesians 6:2

This is a time to love and get rid of any veil of anger, discouragement, and hatred. Let Him do a work in your life! Please pray for Chile and Haiti as well in order to bring in a harvest after these tragic catastrophes. Now is the time we have to act and reach thousands of desperate souls who are seeking hope, encouragement, and love... like we find in Jesus Christ, our savior, who was, who is, and who will come.

Amen

"A new reformation is now taking place in our age."

By Brian Richardson

We are truly blessed at Voice of the Light Ministries to be able to touch people around the world with the revelation that God has graciously given us. It is because of your generous support that we are able to make the journeys necessary to share what God is speaking to us with the rest of the world. It was on one such ministry journey, a few years ago, that a connection was made with dear friends in Germany. A seed was planted and a spiritual connection was formed. A few months ago, that seed brought forth fruit to this ministry that I would like to tell you about.

In the land that birthed the great church reformation of Martin Luther, a new reformation is now taking place in our age. In Konstanz Germany, "going to Church" has taken on a whole new meaning for a precious group of people. They have been meeting in private homes instead of the cathedrals and structures we recognize and have labeled as "church".

These meetings are not what we would consider cell groups, or Bible studies, but rather a form of gathering and fellowship that is reminiscent of what took place in the Book of Acts.

The Holy Spirit has been moving so powerfully in these "house churches" that our friends from Konstanz were compelled to share with us what they have been experiencing.

Recently, six of them took time from their jobs, their ministries and their families and spent ten days with us here in the United States to impart all that they have witnessed and done in Germany.

As a result of their incredible visit, we have now started our own "house church" in Saint Augustine. Although it is in its infancy, we have begun to witness the amazing ways God moves in this form of gathering together. I can't wait to share with you all that we experience, as we continue to meet in the way that was depicted in the New Testament.

"I am helping the church"

Dear Ana,
I hope that that this year will bring more revelations for you and your family and ministry. That God blesses you in safety and finance this year!
I am a woman from Holland and living in Denmark. When I lived in Holland I was in some of your conference there, but now I am in Denmark helping in a church. I saw the DVD from Amsterdam.
I prayed in Holland in many places, also in Hungary, but now I want to meet some people in Denmark, because Denmark really needs a transformation.
