

We release the grace and peace of Jesus Christ over your life this month. This is not just an empty salutation but is filled with expectation that you feel the presence of God while you read this letter.

Ana and I are currently ministering in Europe and are experiencing a hunger and thirst for Christ unlike times past. The "old" generation is fading away and a new one is rising up. The same phenomenon is happening in many regions around the world.

The Kingdom of God is rapidly altering the mindset of men regardless of their status, religion or culture. The recent economic turmoil has the world gripped in fear and asking questions concerning their **safety and security**. Those "in charge" are beginning to understand man's helplessness and that will lead many to reconsider what Jesus said in Matthew, Luke and John.

*Matt. 16:25: "Because whoever has a desire to keep his **life safe will have it taken from him**; but whoever gives up his life because of me, will have it given back to him."*

*Luke 17:33: "Any man who makes it his object to keep **his own life safe, will lose it**; but whoever loses his life will preserve it."*

*John 12:25: "**He who is in love with life will have it taken from him; and he who has no care for his life in this world will keep it forever and ever.**"*

The message of the kingdom is being preached and those with understanding realize safety and security will never be found in governments, monies or religion. Jesus makes it abundantly clear those who forsake everything this world has to offer "qualify" to enter the His kingdom.

We have spoken again and again about the qualification and reward of the true disciples of Jesus found in Luke 14:26 and Mark 10: 29-30.

We wrote earlier this year foretelling the current crisis that is happening worldwide. Those whose spiritual houses are built on the Rock (Jesus) will not be affected, but for those whose trust has been in prosperity and self-help messages for success in this world, will suffer loss. Remember, Jesus does not want anyone to experience pain. All He has ever wanted from man is our trust in Him.

The recent tribulations are sure signs the Lord is moving in astounding ways. He is getting the attention of those you will not hear about on the evening news or in most churches. But will be the ones leading the new generation in the years to come. Why, because in crisis times a new generation of true believers are born from the fire. They are the ones whose experiences with Christ are deeper than religion or doctrines. They are the ones who are birthed from the death of desires for this world and its anti-Christ foundations.

They are the new breed that we are privileged to minister and train with an understanding of the invisible realm. They are fearless and will do greater exploits than us because they are not satisfied with the current condition. They are being exposed and impacted by the principles Jesus taught about His kingdom. They are hearing and seeing the spiritual realm and manifesting it wherever they go.

This is the generation whose life will be a legacy for the future generations. This is the most exciting time to be alive! Remove yourself from those who are speaking doom and gloom and begin to see the world from heaven. Jesus is making a move right now to organize those who are willing to pay the price to see His kingdom in every area of society.

Are you ready to leave the mundane and doctrine of destructions behind? If so, you qualify for a kingdom anointing that is beyond titles and position. ***There is no one who has left this life who will not receive one hundred times more in this life and eternal life in the ages to come,*** that is what Jesus says. Do you believe Him?

If you have not completely forsaken this world you must do so immediately in order to receive the blessing guaranteed by Jesus.

Our ministry is dedicated to helping you find your footing, as well as challenge you as you go. In addition, we have materials and teachings that will encourage and strengthen you.

Do not be afraid or dismayed the Lord is more than able to deliver you and set your feet on solid ground. We have been in difficult situations before and Jesus has never forsaken us and He will do the same for you. We are sent to persons just like you to point them to the Holy Spirit who will guide you into ALL TRUTH.

We bless and pray for those of you who receive our ministry letters and support us with your tithes and offerings. Our ministry is committed to fulfilling our mandate from the Lord. Your commitment and faithfulness to this ministry refreshes and encourages us beyond words.

Blessings,
