

September 1st, 2008.

Dear Beloved:

Grace and Peace be multiplied to each of you this month in Jesus name.

We are so excited about the revelation of Christ being released at this season throughout the earth. We have just returned from Brazil and were so amazed by the level of hunger and thirst among those precious saints. We witnessed signs and wonders in healings, finances and spiritual growth like never before.

We know that we know, your prayers with thanksgiving are reaching heaven. Do not stop pressing in, *this is your day of visitation*. The Lord is closer than you have imagined and His rewards are in His hands.

We believe you have the opportunity to witness your greatest miracles in the days ahead. Do not give attention to the news media or those who would scare you with future events of “doom and gloom.” The devil always attacks those whose faith is weakened with evil reports and bad testimonies. How does he attack you? We are most vulnerable in our thoughts. *Our thoughts are neutral until we yield our imaginations to heaven or earth.*

The thoughts of man are the gateway to either doubt and unbelief or trust and confidence. The truth is, we all eventually manifest our most consistent thoughts. Have you ever attempted to focus your thoughts on Jesus for one hour? It is extremely difficult to focus on simple tasks you may be performing at home or the office but to focus on Jesus will bring a barrage of distractions like a hurricane.

That simple example will give you amazing insight to the spiritual battle fought over your mind. The mind is the battleground that manifests the Kingdom of God or hell on the earth. *Do not be deceived God is not mocked you will reap what you sow. (Galatians 6:7)*

We have all heard and even quoted that scripture but it is speaking about more than money? Thoughts are the seeds with the greatest harvest potential for either good or evil.

The Lord spoke to me very clearly to write to our beloved partners about the power He is releasing to destroy the fear that many of you are battling with at this hour.

He went on to say, “***My people trust more in fear than they do Me.***”

How can this be Lord was my response? He went on to say, *Man, after the first Adam became **more secure in time and loss rather than eternity and abundance.***

The spirit of man is the connection to the eternal and the kingdom of riches Jesus returned to man. The soul operates in the *perceived* security of time because of its reliability on the five senses. Therefore, if man can identify an enemy in the flesh he can measure his success by the other person's failures.

The more I mediated on that statement the clearer it became that for most believers the promises and power of Christ is a future event and the power to change our circumstances is reduced to a mentality of "*hold on I am coming.*" That mindset releases your authority back to the devil. All authority belongs to Jesus and He has given it to us, NOW.

Moreover, most "believers" actually compare their successes and failures to others in the Body of Christ. For example, one might say, my sin is not as bad as so and so. That subtly suggests sin has degrees of evil in the eyes of God. The latest comparisons through out the "Christian" world involve the marriage problems of Todd Bentley and his wife.

Some have called and written indicating, quite proudly, of their suspicions being realized that this man was sent from the devil to deceive the Church.

Those who have cast that stone have made the determination grace and mercy is theirs to dispense, not God's. More times than not, those that judge others are saying, they are the only ones worthy of receiving grace for their sins. Jesus, please forgive us all for our arrogance and self-pride.

No one is suggesting sin is acceptable. What we are saying is, forces and powers beyond the average persons capacity to comprehend, attack those who pay the price to bring the Glory of God.

So rather than being used by demonic forces, whose goal is to divide and conquer us, rise up and release grace and mercy over Todd and his wife. Silence those voices of the devil that are using people to destroy one another. Refuse to be his pawn.

Let God be the judge. Prove to God you trust His judgments and not man's. **That type of warfare not only protects you from being attacked but it releases a new authority in your life.**

Now I am going to share another power key with you about this type of warfare. Those that battle for others not only protect themselves and their families but records in heaven are written in books for you by the angels. Look in Revelation 20:12 and Daniel 7:10.

And I saw the dead, great and small, taking their places before the high seat; and the books were open, and another book was open, which is the

*book of life; and **the dead were judged by the things which were in the books, even by their works.***

I believe there are many books in heaven and all of them are significant. God is not a black and white God. Those with eyes certainly know that. In addition, God is righteous and very meticulous. So He keeps records of everything and those whose actions are self less receive special attention with those keeping records.

The angels are busy either writing or erasing our good works and when you and I need special grace and mercy from heaven the books are opened. I hear some of you saying even now, but brother our works does not save us.

I am not talking about salvation from hell; we all know that is through “faith in His grace.” I am speaking about the same works Jesus describes in John 14:7.

*Truly I say to you, He who puts his faith in me will do the **very works**, which I do, and **he will do greater things than these**, because I am going to my Father*

If we do not grow up in the fullness and stature of Christ we will not have authority in His Kingdom, simple as that. Throwing stones at others will erase the grace and mercy you have accumulated by your good works. Start fighting the good fight for those the enemy is trying to destroy and watch your power and authority in heaven increase.

We bless and honor you for your giving to our ministry. We have added new personnel to help us meet the needs of those the Lord is giving us to train. Please give freely if you believe in what we are doing and want to help us.

Your financial gift according to the books in heaven is the same as you doing what we do. Our hearts are to see you touched and changed by the living Christ and His Kingdom NOW. We are dedicated to bring that revelation to those who are hungry for more of Him.

Please tune into our Cyber broadcast every Wednesday evening at 7:30 pm and until we speak again God richly reward you with more and more of His precious Holy Spirit.

We love you all
