Ministry Letter
Voice Of The Light Ministries

The New Kingdom PROSPERITY

“...give and the kingdom of heaven will provide for you with abundance.”

We greet you this month in the only name worthy of praise and glory, Jesus our Lord and ruling King. His grace and peace be upon you and your family as you read this letter.

Most conversations today will at some point center on money in one form or another. Money is the central theme in all of our lives regardless of whether we like it or not.

The need for money started after man decided he wanted to be like God to know good and evil. Paul told Timothy that the love of money is the root of all evil.

For a root of all the evils is the love of money, which certain longing for did go astray from the faith, and themselves did pierce through with many sorrows; 1Timothy 6:10

Man knows the origin of evil but for the most part, he does not appear to be concerned about locating the **root of good**.

The world is the collective consciousness of the first Adam whose decisions are founded in fear and subject to the laws of this world. For example, sowing and reaping, seedtime and harvest, cold and hot, night and day, summer and winter and so on.

During all days of the earth, seed-time and harvest, and cold and heat, and summer and winter, and day and night, do not cease. Genesis 8:22

Therefore, when “The Church” whose purpose is to be the collective consciousness of Christ, speaks about sowing and reaping, is it representing Christ or Adam?

Look to *the fowls* of the heaven,
for they do not sow, nor reap, nor
gather into storehouses, **and your**
heavenly Father doth nourish them;
are not ye much **better** than they?

Jesus said, **give and it is given**. When He spoke about sowing and reaping it was describing the kingdom of this world. Read the following verses spoken by Jesus and allow the Holy Spirit to minister to you.

*Give, **and it will be given to you**; good measure, crushed down, full and running over, **they will give to you**. For in the same measure as you give, it will be given to you again.*

Luke 6:38

*Look to the fowls of the heaven, **for they do not sow, nor reap**, nor gather into storehouses, and your heavenly Father doth nourish them; are not ye much better than they?*

Matthew 6:26

*And the one also who had received the one talent came up and said, 'Master, I knew you to be a hard man, reaping **where you did not sow**, and gathering where you scattered no seed.*

*But his master answered and said to him, 'You wicked, lazy slave, you knew that **I reap where I did not sow**, and gather where I scattered no seed.*

Matthew 25:24,26

*I sent you to **reap** that for which you **have not labored**; others have labored, and you have entered into their labor.*

John 4:38

Jesus did not speak about sowing and reaping as it pertains to getting your needs met like many modern day preachers teach. On the contrary, **He taught about a kingdom whose provision does not depend on the principles of this world. His only command concerning receiving abundance was give and the**

kingdom of heaven will provide for you with abundance.

The world is attempting to operate under its laws of good and evil, sowing and reaping and they are experiencing the result of that philosophy or religion.

Nevertheless, Jesus our Jubilee, came to fulfill the Law and establish the kingdom of heaven and reestablish what the first Adam lost. The law judges those who follow its principles and unfortunately, the world is under that judgment now.

***That fiftieth year shall be a jubilee for you; in it you shall not sow, or reap** and store what grows of itself, or gather the grapes of the uncultivated vines.*

Leviticus 25:11

The Jews, who are a prosperous people, understand the principles of God's Law and have reaped abundantly, both good and evil, by following it. The principle works, the problem is the law becomes the God. In addition, the law must punish all iniquity that is passed on from generation to generation because of the same principle.

*The heavens will reveal his **iniquity**, And the earth will rise up against him.*

Job 20:27

The Church believes God is blessing those who subscribe to that teaching, when in fact, they are putting them back under the law and reestablishing the curse Jesus destroyed.

Today the Church, which is the consciousness of "good and evil," right and wrong, sowing and reaping is being judged by its own belief, much

like the man who buried his talent and was judged by the words of his own mouth.

The message and consciousness the Church should be presenting is that of God's Kingdom. Freedom is found only in giving what you have freely been given. Eating the fruit of the knowledge of good and evil produces the desire to sow for the purpose of reaping.

*Do not be seized with alarm and **struck with fear**, little flock, for it is your Father's good **pleasure to give you the kingdom!***

Luke 12:32

Jesus said it is the Father's pleasure to GIVE to you, not sow into your life. **Giving requires an action on your part which is not to be afraid.** Sowing is passive and relies upon the one planting the seed to do all the work.

The world is experiencing economic problems because fear is the result of trusting in the law of sowing and reaping and not the Jubilee, which is the freedom from the law.

The Lord is showing me that many of you are afraid because you have been trusting in the law and not in your Jubilee. Today, if you will call upon the Lord and repent from wrong believing and begin trusting your Jubilee your life will change.

In the coming months those who are IN HIM will experience abundance in finances, health and revelation. We at VOTLM are one of the instruments the Lord is using in the earth today. We ask you to give abundantly without fear into this ministry because it is our good pleasure to release into your lives the knowledge of your Jubilee.

Blessings,

Ana & Emerson

We Live Not in This Kingdom...

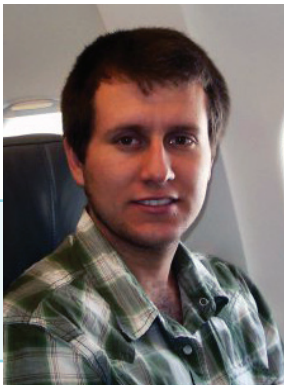

A few days ago I was watching the news and they were discussing that the unemployment rate is currently at 8%, while the increase of diseases associated with the economic crisis, such as depression, stress and obesity, just to name a few, are at the highest in 25 years. I began to wonder how this "economic disaster" could affect my family if I were to lose my job or were in a similar financial position.

At that moment, a scripture came to my mind:

"...For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."

2 Timothy 1:7

I began to think about the power of the blood of Jesus and the sacrifice He made that continues to give us authority today.

Through the power of His blood, we now have established a place and right as an heir, not in the kingdom of this world, but

in the Kingdom of God without fear. We live as sons and daughters in His Kingdom and as such, God's designs are fully established in every area our lives.

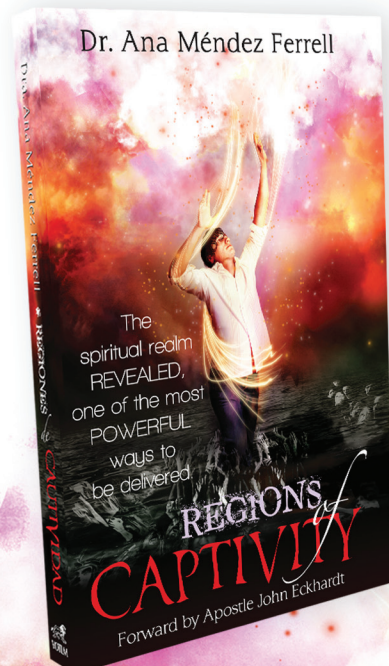

Through His blood, we are fully cleansed from any diseases, both physically and mentally and have authority to declare, decree and proclaim healing against such diseases and are set free from any discomforts of this world.

In such times, we need to recognize that God doesn't abandon us; rather, we do not live in the kingdom of this world. We live FULLY in the Kingdom of God and any economic crisis and fears of this world can't touch us. That is what Jesus was trying to say when He said we are in this world, but not of it.

Beloved, now is the time to take your eyes and ears off of the fears and ways of this world and keep your eyes on the King of Kings and the Lord of Lords. For through His blood you have been given full life and abundance to walk freely in such times and have the riches of His Kingdom at your fingertips.
